## DERMAPLANE & JELLY MASK

**60 MIN / \$150**

Dermaplaning is an exfoliation treatment that involves gently scraping the face with a medical-grade instruments. This process removes both dead skin cells and the fine vellus hairs that are known as peach fuzz, leaving the surface of the face ultra-smooth. By stimulating the development of new skin cells, this type of exfoliation – sometimes called a scalpel facial – helps new skin rise to the surface. It leaves patients with a more youthful and dewy face, but without any harsh chemicals, excessive downtime, or pain.

## GUA SHA LYMPHATIC FACIAL

**60 MIN / \$175**

Facial Gua Sha is a massage technique designed to relieve tension in the muscles of the face, boost blood circulation, and encourage lymphatic drainage to banish bloat. It helps break up fascia, the connective tissue that hugs muscles but can sometimes interfere with optimal circulation.
